The State of Alaska provides, by means of self-insurance, health benefits covering each eligible employee of the state and their dependents, unless exempted under regulation adopted by the Commissioner of Administration. Such benefits are set forth in the *AlaskaCare Employee Health Plan* (the “Plan”). Under authority of AS 39.30.090-098, the Commissioner of Administration hereby amends the Plan as follows:

**Section 1 Amended Provisions**

1) Amends *Section 6.2 Carryover of Unused Amounts in HFSA* to add the following underlined language:

If you have a balance remaining in your HFSA at the end of the *benefit year*, an amount will be carried over to the immediately following *benefit year* equal to the lesser of (1) $550 or (2) the amount remaining in your HFSA after all of your eligible medical expenses submitted during the *benefit year* or within the run-out period have been reimbursed. The run-out period is the 90-day period following the end of the *benefit year* (March 31). This amount is called the “available carryover amount.” Any unused amount in excess of $550 will be forfeited as provided in *section 6.4 Eligible Medical Expenses*.

For the 2021 *benefit year* only, as authorized by the Consolidated Appropriations Act, 2021, the available carryover amount will be equal to the entire amount remaining in your HFSA after all of your eligible medical expenses submitted during the 2020 *benefit year* or within the run-out period have been reimbursed.
State of Alaska, Department of Administration  
Division of Retirement and Benefits

The available carryover amount does not reduce the maximum amount that you may elect to contribute to your HFSA for a **benefit year**.

**Section 2: Conflict**
In the event of a conflict between the language contained in this Amendment and previously adopted language contained in the Plan, the provisions of the Amendment shall control.

**Section 3: Effective Date**
This Amendment is effective January 1, 2021.

Adopted this ___9th___ day of ___March______, 2021.
