

AlaskaCare Retiree Dental, Vision, and Audio (DVA) Plan

- November 5, 2025
Open Enrollment Begins
- November 26, 2025
Open Enrollment Ends
- January 1, 2026
New Benefit Elections Take Effect

2026 Benefit Guide

The Division of Retirement and Benefits will host an open enrollment period for the Retiree DVA Plan from November 5 - 26, 2025.

You can choose the plan that works best for you and your family for the upcoming 2026 benefit year. Participation is encouraged but not required.

Updates have been made to the dental benefits under the Standard Dental-Vision-Audio (DVA) plan. Review this guide for details, options, and enrollment instructions to help you make an informed choice.

New in 2026

The Standard Dental Plan received several enhancements that are outlined within the Dental Benefit Comparison below and on AlaskaCare.gov/DVA in more detail.

- **Preventive Care:** Increase from two to four cleanings (prophylaxis) and periodontal maintenance visits per year.
- **Diagnostic Services:** Coverage now includes 3D dental imaging once per benefit year.
- **Fluoride Treatment:** The allowance for topical fluoride application increases from two times per year (previously age-based) to four times per benefit year, with no age restrictions.
- **Sealants and Related Procedures:** Removal of eligibility criteria for sealant application, sealant repair, and preventive resin restoration. Each service is now allowed once per tooth per year.
- **Crowns:** The frequency limit for crown replacement is reduced from once per tooth every seven years to once per tooth every five years. Updated from reimbursement at the allowable amount for a metal crown to the allowable amount for a porcelain crown.

Frequently Asked Questions

How can I verify which DVA plan I am currently enrolled in?

You can refer to your dental insurance ID card to verify which DVA plan you are currently enrolled in. The card will either say "Retiree Legacy Dental Plan" or "Retiree Standard Dental Plan" on the bottom right corner. You may also contact Delta Dental of Alaska at (855) 718-1768 or the Division's Member Education Center at (800) 821-2251.

What are some of the differences between the standard plan benefits and the legacy plan benefits?

Standard DVA Plan: Standard Vision

The vision benefits under the Standard DVA Plan include the Vision Service Plan (VSP) provider network. The Standard Vision Plan provides enhanced vision benefits with reduced copays for comprehensive eye exams, lenses, and frames. Members

would only be responsible for copayments and charges for options that exceed the plan benefit.

Custom and premium progressive lens enhancements are covered, and discounts are available for photochromic, tints, and other lens enhancements received from a VSP network provider.

Network providers will determine the member cost share, file a claim with VSP, and only bill the member for their appropriate portion. (See enclosed DVA comparison tables.)

Members who obtain vision care from an out-of-network provider will be responsible

for an increased share of the costs under the Standard DVA plan than they would under the Legacy DVA plan. Visit VSP.com to verify if your provider is a network provider or if there is a VSP network provider near you.

Legacy DVA Plan: Legacy Vision

The vision benefits under the Legacy DVA plan are unchanged. The main differences from the Standard Vision Plan are that the Legacy Vision Plan does not use a vision provider network and applies an 80% coinsurance to all covered services. As such, there are no network discounts, and members typically pay out-of-pocket for vision services at the time they are received and submit manual claims for reimbursement. For a more complete comparison of benefits, see the enclosed DVA comparison tables.

Need More Information?

For information on the 2026 Retiree DVA plan monthly premiums and additional FAQs, please visit AlaskaCare.gov/DVA.

Email us at doa.drb.benefits@alaska.gov or call us toll-free at (800) 821-2251 or in Juneau at (907) 465-4460.

Refer to page 8 for Delta Dental, Aetna, and VSP's contact information for service and claim specific questions.

Frequently Asked Questions *Continued...*

Standard DVA Plan: Standard Dental

- Annual dental benefit maximum is \$3,000.
- Preventive services do not count toward the annual dental benefit maximum.
- Features access to Delta Dental's wide Premier network of providers, as well as access to an additional PPO network that saves you even more money when you use a PPO dentist. Better prices mean you can receive coverage for more services before you reach your annual benefit maximum.
- Supports evidence-based coverage limitations, including those developed by the American Dental Association, such as frequency and age limitations for exams, cleanings, and periodontal maintenance.
- Pays less if you visit an out-of-network dentist.

Legacy DVA Plan: Legacy Dental

- Annual dental benefit maximum is \$2,000.
- Preventive services do count toward annual dental benefit maximum.
- Does not have pre-determined frequency or age limitations on most services.
- Features access to Delta Dental's wide Premier network of providers that save you money when you use a network dentist.
- Pays out-of-network dentists at a higher rate.

Premiums are subject to change annually and can be found on the AlaskaCare website at AlaskaCare.gov/DVA or by calling the AlaskaCare Member Education Center at (907) 465-4460.

What are some of the similarities between the standard plan benefits and the legacy plan benefits?

- Both plans provide coverage for dental preventive, restorative, and prosthetic services.
- Both plans have the same dental coinsurance levels:
 - » Class I (Preventive): 100%
 - » Class II (Restorative): 80%
 - » Class III (Prosthetic): 50%
- Both plans have the same annual dental deductible: \$50 per individual (Class II and III Services).
- Both vision plans have no deductible.
- Both vision plans allow coverage for one eye exam and pair of lenses per year, and frames every other year.
- Both plans are fully funded by member premiums.
- Audio benefits are the same under each plan.

If I have dental or vision services scheduled before the end of the plan year, will this impact my benefits?

The benefit election you make during open enrollment will become effective January 1, 2026. This means that the coverage you have today will still apply through December 31, 2025, including any claims for services provided before the end of the plan year.

Can I change my plan next year?

You will be able to change your DVA plan during the open enrollment period. Outside of the open enrollment period, you will not be able to make changes to your selections unless you have a qualifying life event or would like to decrease your coverage. You may decrease your coverage at any time in writing.

Will I get a new ID card?

If you change your elections for 2026, you will receive a new dental member ID card in the mail in January.

An ID card will not be mailed for vision benefits under either the Standard or Legacy DVA Plan. See our website for more details.

I am currently enrolled in the DVA plan with coverage for myself and my dependent spouse. Can I choose the legacy plan, and can my spouse choose the standard plan?

No, a retiree may only select one plan for themselves and any covered dependents. However, if you and your spouse each have a separate AlaskaCare DVA policy, you may select different plans and cover each other as dependents.

Do I need to participate in the DVA Open Enrollment?

In short, no. However, we encourage all eligible AlaskaCare retirees to review the plan options and participate in open enrollment. If you do not participate in Open Enrollment, your benefit selection will not change from what you have now. However, some benefits in the Standard Dental Plan are changing in 2026.

Can I see any licensed dentist or vision provider?

Yes, both the Standard and Legacy DVA plans let you see any licensed dentist or vision provider you want. Both plans give you access to the wide Premier network of dental providers that will save you money. If you choose the Legacy plan and see an out-of-network provider, the plan will cover a greater portion of the charges. If you choose the Standard plan, you have access to an additional PPO network of dental providers, and VSP vision network providers who offer deeper discounts, saving you more money. You may pay more if you use out-of-network dentists or vision providers.

Remember, if you use an out-of-network dentist or vision provider, you may receive additional bills for charges that the plan will not cover.

Some dental procedures fall into different service classes, depending on which plan you elect. If you would like to know how a specific service would be covered under each plan, call Delta Dental of Alaska at (855) 718-1768.

Refer to the AlaskaCare Retiree DVA Plan: 2026 Benefit Comparison for plan differences and the AlaskaCare Retiree Insurance Information Booklet for full benefit details.

**Wednesday, November 5 to
Wednesday, November 26, 2025**

**Enroll online at
AlaskaCare.gov/DVA**

Online Enrollment Instructions

Find the Online Enrollment form at [AlaskaCare.gov/DVA](https://alaskacare.gov/DVA)

Elections are available 24/7,
November 5 – 26, 2025

- Navigate to [AlaskaCare.gov/DVA](https://alaskacare.gov/DVA)
- Click **Ready to Enroll? Click Here!**
You will be taken to the Retiree DVA Plan Open Enrollment online form.
- The online enrollment form is completed in four easy steps. Click **Get Started** to begin!

Open Enrollment closes at 5 p.m. Alaska Time November 26, 2025.

Step 1. Learn

Open enrollment begins with important reminders about your plan options, eligibility information, and where to find answers if you have questions. After reviewing the information, click the **Next** button to move on.

Step 2. Verify

You will be prompted to enter information to verify that you are eligible to enroll. Enter the information and click on **Check Eligibility**.

If your eligibility was confirmed, you will see the message **Eligibility Verified!** Confirm or update your contact information and click the **Next** button.

- If your eligibility was not confirmed, you will see the message **Unable to Verify**.
- If the system is unable to verify your identity, please contact the Division at (800) 821-2251 or (907) 465-4460 in Juneau as soon as possible so we can help.

Step 3. Compare

Review the monthly premium rates, the benefit comparison table, and your plan booklet to decide which plan is best for you. After reviewing the information, click the **Next** button to move on.

Step 4. Enroll

Make your plan election, choose your coverage level, and click **Enroll**.

- You will be emailed a confirmation for your records.
- If you need to update your dependent information, complete the Retiree Health Dependent Change Form found on our website: drb.alaska.gov/docs/forms/02-1854r.pdf and submit it to the Division of Retirement and Benefits.

If you click on the **Exit** to AlaskaCare webpage button, you will close the enrollment site. Congratulations! You have successfully completed your AlaskaCare DVA open enrollment!

- You may change your plan election at any time during the open enrollment period by filling out the online enrollment form. The last election you make before open enrollment closes will determine your plan election for the 2026 benefit year.

Retiree DVA Plan 2026 Benefit Comparison

AlaskaCare Retiree Dental-Vision-Audio (DVA) plan members have a choice between the Standard DVA Plan and the Legacy DVA Plan for the 2026 benefit year. You can choose the plan that works best for you and your family.

This comparison provides an overview of the two plans and highlights some, but not all, of the dental and vision benefit provisions. For complete coverage details, please consult the plan booklets available at [AlaskaCare.gov](https://alaskacare.gov).

Plan Structure and Annual Deductible

You can find examples of the cost of services under each plan at AlaskaCare.gov/DVA .

Dental Necessity Requirements

To be eligible for coverage, dental services and supplies must meet these dental necessity requirements and be a covered service or supply under the plan.	The Retiree Standard Dental Plan covers dental services and supplies when performed by a dentist or dental care provider and when determined to be dentally necessary.	The Retiree Legacy Dental Plan does not provide benefits for dental services or supplies that are not necessary for diagnosis or treatment of dental condition as determined by the claims administrator even if prescribed, recommended, or approved by a dental professional.
