You're never too tough to talk

Aetna Resources For LivingSM

You're strong. You're in control. Not much bothers you.

That's what people think, anyway.

But sometimes how you look on the outside isn't how you're feeling on the inside, and it's a good idea to talk about what's on your mind.

Aetna Resources For LivingSM is the brand name used for products and services offered through the Aetna group of subsidiary companies. The EAP is administered by Aetna Behavioral Health, LLC, Aetna Health of California, Inc. and Health and Human Resources Center, Inc.

This material is for informational purposes only. All calls are confidential, except as required by law (i.e., when a person's emotional condition is a threat to himself/herself or others, or there is suspected child, spousal or elder abuse, or abuse to people with disabilities). Services are available to you and your household members, including dependent children up to age 26, whether they live at home or not.

Information is believed to be accurate as of the production date; however, it is subject to change. For more information about Aetna plans, refer to www.aetna.com.
