

Availability of Summary of Benefits and Coverage (SBC) Document(s)

The health benefits that are available to you from the AlaskaCare Employee Health Plan represent a significant component of your compensation package. They also provide important protection for you and your family in the case of illness or injury. In accordance with law, our employee plan provides you with Summary of Benefits and Coverage (SBC) documents to help you understand and compare medical plan benefits. Each SBC document summarizes and compares essential information including what is covered, what isn't, what you need to pay for diverse benefits, and where to get answers to questions. The SBC documents are updated when there is a change to the benefits information. To get a free copy of the most current SBC documents for the AlaskaCare medical plan options and the Uniform Glossary that defines many terms in the SBC, go to [AlaskaCare.gov](https://www.alaskacare.gov), or for a paper copy, contact the Division of Retirement and Benefits toll free at (800) 821-2251 or (907) 465-4460 in Juneau.
