

Important Reminder to Provide the Plan with the Taxpayer Identification Number (TIN) or Social Security Number (SSN) of Each Enrollee in a Health Plan

Employers are required by law to collect the taxpayer identification number (TIN) or social security number (SSN) of each medical plan participant and include that number on reports that will be provided to the IRS each year. Employers are required to make at least two consecutive attempts to gather missing TINs/SSNs.

If a dependent does not yet have a social security number, you can go to this website to complete a form to request an SSN: <https://www.ssa.gov/forms/ss-5.pdf>. Applying for a social security number is FREE.

The SSN will also be used to help fulfill mandatory reporting requirements to the Centers for Medicare and Medicaid (CMS) for the purposes of permitting Medicare to coordinate benefits for individuals enrolled in both an employer-sponsored medical plan and Medicare.

If you have not yet provided the social security number (or other TIN) for each of your dependents that you have enrolled in the health plan, please contact the Division of Retirement and Benefits toll free at (800) 821-2251 or (907) 465-4460 in Juneau.
