

JP Morgan's SmartSpending Fund

The Alaska Treasury Division—working with Empower Retirement and the Division of Retirement and Benefits—is pleased to announce the addition of JP Morgan's SmartSpending fund for members who are close to retiring or who have already retired. SmartSpending is a mutual fund designed to help you spend down your money gradually during your retirement years, while also generating returns. The SmartSpending calculator provides a sample spend-down amount to help you decide what works for you.

Click the SmartSpending link on Empower's website, akdrb.com, to learn more about this new tool to help you better manage your spending after retirement. 🐦

Self-Directed Brokerage Window for PERS and TRS Defined Contribution Members

The Division of Retirement and Benefits is pleased to announce we are in the final stages of implementing the Self-Directed Brokerage (SDB) window. This will allow members of the PERS and TRS Defined Contribution retirement plans to self-direct investments within the SDB window available on the Empower Retirement website at akdrb.com. Registration and the disclosure acknowledgement will be required to access the above referenced accounts and the SDB.

The SDB will be available soon to all active members and retirees of the PERS and TRS Defined Contribution retirement plans.

If you have questions or concerns with accessibility, please contact an Empower representative at (800) 232-0829.

Please note, members who have a General Delivery address will need to speak with an Empower representative for the initial akdrb.com account registration. 🐦

The Division of Retirement and Benefits (Division) prepares a Annual Comprehensive Financial Report (ACFR) which is available online at [Alaska.gov/drb/pers/employee/resources/acfr.html](https://alaska.gov/drb/pers/employee/resources/acfr.html).
