

## Statistical Section Overview

The statistical section of the Teachers’ Retirement System (System) annual comprehensive financial report provides additional detail in the form of financial trends, operating information, and demographic information. This data is provided to enhance the reader’s understanding of the System.

**Financial Trends..... 162-179**

These schedules contain financial trend information utilizing a multi-year presentation so the reader can better understand how the System’s financial performance has changed over time. Financial information is presented on an accrual basis.

**Operating Information..... 180-182**

These schedules contain detailed benefit payment information to provide the reader a better understanding of the pension benefits provided by the Division.

**Demographic Information ..... 183-185**

These schedules contain detailed demographic data to provide the reader a better understanding of the membership and employer participation in the System.
