**Pharmacy Performance Guarantees**

|                      |           |
|----------------------|-----------|
| Implementation Total | \$100,000 |
| Ongoing Total        | \$520,000 |
| Overall Total        | \$620,000 |

**Guarantee Period**

The guarantees described herein will be effective for a period of 12 months and will run from **July 1, 2013 through June 30, 2014** (hereinafter “guarantee period”).

The performance guarantees shown below will apply to the self-funded Aetna Pharmacy Management plans administered under the Administrative Services Only Agreement (“Services Agreement”). These guarantees do not apply to non-Aetna benefits or networks.

**Aggregate Maximum**

In total, Aetna agrees to place **\$620,000** at risk through the Performance Guarantees outlined in this document (\$100,000 for implementation and \$520,000 for ongoing). Our offer is based on both Medicare and non-Medicare enrolled employees, and assumes 43,202 employee lives. State of Alaska can re-allocate up to \$104,000 on any one ongoing guarantee (20% of Ongoing Maximum at Risk). If the Medicare enrolled employees leave the commercial pharmacy plan for either a Medicare PDP, EGWP and / or another Medicare pharmacy plan, the amounts at risk on each individual performance guarantee as well as the total amount at risk will be re-evaluated at the time the termination occurs.

**Pharmacy Performance Guarantees****Termination Provisions**

Termination of the guarantee obligations shall become effective upon written notice by Aetna in the event of the occurrence of (i), (ii) or (iii) below:

- i. a material change in the plan initiated by State of Alaska or by legislative action that impacts the claim adjudication process, member service functions, pharmacy network management or rebates;
- ii. failure of State of Alaska to meet its obligations to remit administrative service fees or fund the State of Alaska bank account as stipulated in the General Conditions Addendum of the Services Agreement;
- iii. failure of State of Alaska to meet their administrative responsibilities (e.g., a submission of incorrect or incomplete eligibility information).

No guarantees shall apply for a guarantee period during which the Services Agreement is terminated by State of Alaska or by Aetna.

**Penalty Reconciliation and Refund Process**

At the end of each guarantee period, Aetna will compile the Performance Guarantees results. If necessary, Aetna will provide a refund to State of Alaska for any penalties incurred.

## Pharmacy Performance Guarantees

### Implementation

#### Implementation Guarantee

**Guarantee:** Aetna developed and utilizes the implementation team concept to carefully coordinate all aspects of the implementation. An implementation manager will be assigned to assemble State of Alaska's implementation team and working with State of Alaska's team, will help determine the implementation priorities. The implementation manager will develop an implementation management plan that will outline the tasks to be accomplished and will also indicate mutually agreed upon target dates for their completion. As new information becomes available and priorities change, the plan will be updated. State of Alaska will be responsible for providing key information to Aetna by the mutually agreed upon target dates.

Aetna is confident that State of Alaska will be pleased with our implementation team approach and therefore we are offering an implementation performance guarantee. This guarantee is effective for the implementation period in the first guarantee period. The implementation period commences at the initial implementation meeting and runs through the implementation sign-off.

**Penalty and Measurement Criteria:** Via timely responses to the Implementation Evaluation Tool, State of Alaska agrees to make Aetna aware of possible sources of dissatisfaction throughout the implementation period. Each question will be given a rating of 1 - 5 with 1 = lowest, 5 = highest. Results from the evaluation tool when will be used to facilitate a discussion between State of Alaska, the implementation manager and the Account Team and Pharmacy Strategic Account Executive regarding the results achieved. If, at the end of the implementation process, the final average score of the evaluations falls below 3.5, Aetna will make a mutually agreed upon reduction in compensation, subject to a maximum reduction of **\$50,000**.

## Pharmacy Performance Guarantees

### Group Structure, Benefit Plan Design

**Guarantee:** The initial group structure and benefit plan design will be entered and tested in Aetna's system 30 days prior to the implementation date. This guarantee is dependent on receiving final sign-off from State of Alaska on the Benefit Plan Design Summary documents by 95 days prior to the implementation date.

**Penalty and Measurement Criteria:** Aetna will reduce its compensation by **\$5,000** if Aetna fails to enter and test the group structure and benefit plan design 30 days prior to the implementation date. Aetna's implementation team records will be used to determine whether the initial group structure and plan design were entered and tested within the specified time frame.

### Eligibility Load

**Guarantee:** Participant eligibility will be loaded 30 days prior to the start date. This guarantee is dependent upon receiving a test file 45 days prior to the start date with all corrections, if necessary, completed and re-tested by 40 days prior to the start date with the final eligibility file to be received from Client 35 days prior to the start date. In addition, State of Alaska sign-off on the Single Source Document must be completed 90 days prior to the effective date.

**Penalty and Measurement Criteria:** Aetna will reduce its compensation by **\$5,000** if Aetna fails to have eligibility loaded 30 days prior to the implementation date. Aetna's implementation team records will be used to determine whether participant eligibility was loaded within the specified time frame.

### Customer Service during Open Enrollment

**Guarantee:** A dedicated toll-free telephone number for member assistance will be established before open enrollment begins and maintained throughout open enrollment.

**Penalty and Measurement Criteria:** Aetna will reduce its compensation by **\$5,000** if Aetna fails to have a toll free number established prior to open enrollment and maintained throughout the open enrollment period.

## Pharmacy Performance Guarantees

### Client-Specific Customer Service during Open Enrollment

**Guarantee:** Customer Service will be available to answer client specific benefit questions during open enrollment.

**Penalty and Measurement Criteria:** Aetna will reduce its compensation by **\$5,000** if Aetna's customer service team for State of Alaska is unable to answer group specific benefit questions during open enrollment. State of Alaska will communicate any dissatisfaction with the customer service team to the Account Executive in the Seattle, Washington field office.

### Customer Service on Effective/"Go Live" Date

**Guarantee:** A toll free line will be set-up and fully functioning by the date established in the implementation timeline.

**Penalty and Measurement Criteria:** Aetna will reduce its compensation by **\$5,000** of the guarantee period administrative service fees if Aetna's toll free line for State of Alaska is not fully functioning by the date established in the implementation timeline.

### Member Call Tracking

**Guarantee:** Using standard reports available using Aetna Strategic Desktop, Aetna will provide a summary of the number of member service calls by call category. This report will be provided for both the first week after the effective date, and the first month after the effective date. The reports will be available no later than 1 week after the specified timeframes.

**Penalty and Measurement Criteria:** Aetna will reduce its compensation by **\$5,000** if Aetna fails to provide the member call tracking reports within the specified timeframes.

### Member Information Package – Initial

**Guarantee:** 100% of the member information packages will be sent by the date established in the implementation timeline.

**Penalty and Measurement Criteria:** Aetna will reduce its compensation by **\$5,000** if Aetna fails to provide 100% of the information packages by the date established in the implementation timeline. State of Alaska will communicate with the Account Executive in the Seattle, Washington field office if all member information packages are not received in the specified timeframe.

## Pharmacy Performance Guarantees

### Communications

**Guarantee:** Aetna's Implementation Manager will provide regular weekly updates to State of Alaska tracking the status of implementation.

**Penalty and Measurement Criteria:** Aetna will reduce its compensation by **\$5,000** if Aetna's Implementation Manager fails to provide weekly updates to State of Alaska. Aetna's implementation team records will be used to determine whether weekly updates were provided.

### Contract Draft Timeliness

**Guarantee:** Aetna will respond to requests from State of Alaska or its designee regarding the contract draft with an acknowledgement within 10 business days from when requests are sent. State of Alaska recognizes that more than 10 business days may be needed to resolve a request.

**Penalty and Measurement Criteria:** Aetna will reduce its compensation by **\$5,000** if Aetna's implementation team fails to respond to a request regarding the contract draft with an acknowledgement within 10 business days of receipt. State of Alaska will communicate any dissatisfaction with the customer service team to the Account Executive in the Seattle, Washington field office.

### ID Card Production and Distribution Guarantee

**Guarantee:** Aetna guarantees that it will produce and mail ID cards to plan participants within 7 business days of receiving the open enrollment eligibility file. Please note this guarantee will apply only if Aetna is offered as a stand-alone pharmacy provider (no medical coverage with Aetna).

**Definition:** For all ***complete, accurate and viable*** open enrollment eligibility data provided by State of Alaska and accepted by the system, Aetna agrees to produce and mail ID cards within 7 business days of file receipt.

**Penalty and Measurement Criteria:** A penalty of **\$5,000** will apply if Aetna fails to produce and mail ID cards to State of Alaska's members within 7 business days of receiving the open enrollment eligibility file. Aetna's implementation team records will be used to determine whether ID cards were produced and mailed within the specified time frame.

## Pharmacy Performance Guarantees

### Account Management

#### **Overall Account Management Guarantee**

**Guarantee:** Aetna will guarantee that the services (i.e., on-going financial, eligibility, drafting, and benefit administration and continued customer support) provided by the Account Team and Pharmacy Strategic Account Executive during the guarantee period will be satisfactory to State of Alaska.

**Penalty and Measurement Criteria:** Via semi-annual responses to the attached Account Management Evaluation Tool (provided at the end of this guarantee section) and this link <http://www.aetnasurveys.com>, State of Alaska agrees to make Aetna aware of possible sources of dissatisfaction throughout the guarantee period. The Account Management Evaluation Tool will be provided on or before January 15 and July 15 of each year. State of Alaska's responses to the attached evaluation tool will evaluate account management services in the following categories: technical knowledge, accessibility of personnel, responsiveness of personnel, interpersonal skills, communication skills (written and oral) and overall assessment of the services provided to State of Alaska. Each category will be given a rating of 1 - 5 with 1 = lowest, 5 = highest. Aetna will tally the results from the report card(s) when received. The results of the survey(s) will be used to facilitate a discussion between State of Alaska and the Account Team and Pharmacy Strategic Account Executive regarding the results achieved and opportunities for improvement.

If the report cards are not completed and returned within 15 days after the Tool is provided to State of Alaska, it will be assumed that the service provided to State of Alaska is satisfactory, and the score for the period covered by the report card not returned shall be designated as a 3.5 on a scale of 1 to 5. Aetna will provide survey results by February 15 and August 15 of each year. If the score on the first report card and the report card for the subsequent survey average a 3.5 or higher, no credit is due. Satisfactory service would equal a score of 3.5 and would be based on the total average of 24 questions with a rating scale of 1 to 5. Should the score from the first report card and the average of the remaining report card fall below a 3.5 (meaning that service levels have not improved), Aetna will make a mutually agreed upon reduction in compensation, subject to a maximum reduction of **\$20,000**.

## Pharmacy Performance Guarantees

### Quarterly Pharmacy Utilization Reports

**Guarantee:** Aetna will guarantee on-line Quarterly Pharmacy Utilization Management Reports will be made available to State of Alaska within 15 business days at the end of the month and 45 days after the end of a calendar quarter.

**Definition:** Quarterly Pharmacy Utilization Management Reports will be available through Aetna's website within 15 business days at the end of the month and 45 days after the end of the calendar quarter. Timing is based on report availability to ensure all financial information is included and is accurate. Reports can be easily downloaded into Microsoft Excel for data manipulation, graphing and communication.

**Penalty and Measurement Criteria:** A penalty of \$5,000 will apply for each quarter that the reports are not provided within 15 business days at the end of the month and 45 days after the end of the calendar quarter. There will be a maximum penalty of **\$20,000**. Aetna's records will be used to determine if the terms of this guarantee have been met.

### Data Distribution Timeliness

**Guarantee:** All data submission will be sent according to the timeframes specified or agreed upon during implementation.

**Penalty and Measurement Criteria:** Aetna will reduce its compensation by **\$5,000** if data submissions are not sent according timeframes specified or established during implementation. State of Alaska will communicate with the Account Executive in the Seattle, Washington field office if data submissions are not sent according to the specified timeframes.

### Reporting/Data Distribution Accuracy

**Guarantee:** All reports and data submissions will be accurate.

**Penalty and Measurement Criteria:** Aetna will reduce its compensation by **\$5,000** if data submissions and reports are not accurate.

## Pharmacy Performance Guarantees

### Payments from Reconciliation of Pricing Guarantees

**Guarantee:** Any amounts owed based on completed reconciliation reports (actual claims costs versus guarantees) will be posted within five (5) business days after the reconciliation report has been accepted, which begins on the date each party agrees to the results presented.

**Penalty and Measurement Criteria:** Aetna will reduce its compensation by \$1,250 for each full day beyond five days that Aetna fails to post a check or wire payment for reconciliation of pricing guarantees. The maximum reduction will be **\$5,000**. The check posting date will be verified by shipping carrier receipt or wire transfer date provided by banking documentation.

### Payments from Reconciliation of Rebate Payments

**Guarantee:** Any amounts owed based on completed reconciliation reports (actual rebate payments versus guarantees) will be posted within five (5) business days after the reconciliation report has been accepted, which begins on the date each party agrees to the results presented.

**Penalty and Measurement Criteria:** Aetna will reduce its compensation by \$1,250 for each full day beyond five days that Aetna fails to post a check or wire payment for reconciliation of rebate payments. The maximum reduction will be **\$5,000**. The check posting date will be verified by shipping carrier receipt or wire transfer date provided by banking documentation.

## Client / Consultant Responsiveness

**Guarantee:** At least 90% of all voice and/or e-mail messages sent by Client or consultant will receive a “response” within one (1) business day; 100% within three (3) business days.

**Definition:** A “response” does not mean resolution is provided; instead it may include a simple acknowledgement of the inquiry or referral to another representative as long as the representative responds within the same timeframe, but it must provide a target completion/resolution date.

**Penalty and Measurement Criteria:** A penalty of \$5,000 will apply for each 0.25% that the actual client / consultant responsiveness percentage falls below 90.0% within one (1) business day and 100% within three (3) business days. There will be a maximum penalty of **\$20,000**. Aetna’s records will be used to determine if the terms of this guarantee have been met.

**Pharmacy Performance Guarantees****Issue Log**

**Guarantee:** At least 98% of open issues will be captured and tracked accurately.

**Penalty and Measurement Criteria:** A penalty of \$5,000 will apply for each 0.25% that the issue log percentage falls below 98.0%. There will be a maximum penalty of **\$20,000**. Aetna's records will be used to determine if the terms of this guarantee have been met.

**Quarterly Meetings**

**Guarantee:** Meetings will occur at least quarterly (assuming Client does not reject the offer) to discuss the performance of the plan, opportunities, industry trends, etc., and to present Performance Standard/Guarantee statistics as appropriate.

**Penalty and Measurement Criteria:** A penalty of \$5,000 will apply for each quarter that a meeting is not held, unless scheduled and rejected by Client. There will be a maximum penalty of **\$20,000**. Aetna's records will be used to determine if the terms of this guarantee have been met.

### Plan Sponsor Services

#### Eligibility Updates Guarantee

**Guarantee:** Aetna will guarantee that 99.0% of Non-Open Enrollment eligibility updates will be processed within 2 business days of receipt of complete and accurate data and 100.0% of Non-Open Enrollment eligibility updates will be processed within 4 business days of receipt of complete, accurate and viable data (if a tape requires adjustments the customer will be notified by email as soon as the need is identified). Updates will be processed with 99.5% accuracy. Please note this guarantee will apply only if Aetna is offered as a stand-alone pharmacy provider (no medical coverage with Aetna).

**Definition:** Complete enrollment/eligibility data is defined as employee name, address, provider selection, DOB, SSN, and covered dependent information if applicable as well as mutually agreed upon eligibility specifications. This information will be submitted electronically, by magnetic tape, or by cartridge. The guarantee is contingent upon the file being transmitted successfully to Aetna (files received after 12:00 Noon will be considered as having been received on the next business day). Any eligibility data received which must be adjusted by Aetna using a tape fix will negate the guarantee and normally adds 72 hours to the entire process. Depending on the eligibility submission method, the following reports will be used to determine the completeness of the data provided by State of Alaska: Audit Certificate List, ELR Report, and Transaction Audit Report. Errors caused by the lack of complete data will be excluded from the terms of this guarantee.

**Penalty and Measurement Criteria:** A penalty of \$5,000 will apply for each day that the eligibility submissions are not processed. There will be a maximum penalty of **\$20,000**. Aetna's results will be used to determine whether the terms of the guarantee have been met.

## Pharmacy Performance Guarantees

### Eligibility Updates – New Group Additions

**Guarantee:** Aetna will guarantee that 99.0% of new group addition eligibility updates will be processed within 2 business days of receipt of complete and accurate data (if a tape requires adjustments the customer will be notified by email as soon as the need is identified). Updates will be processed with 99.5% accuracy. Please note this guarantee will apply only if Aetna is offered as a stand-alone pharmacy provider (no medical coverage with Aetna).

**Definition:** Complete enrollment/eligibility data is defined as employee name, address, provider selection, DOB, SSN, and covered dependent information if applicable as well as mutually agreed upon eligibility specifications. This information will be submitted electronically, by magnetic tape, or by cartridge. The guarantee is contingent upon the file being transmitted successfully to Aetna (files received after 12:00 Noon will be considered as having been received on the next business day). Any eligibility data received which must be adjusted by Aetna using a tape fix will negate the guarantee and normally adds 72 hours to the entire process. Depending on the eligibility submission method, the following reports will be used to determine the completeness of the data provided by State of Alaska: Audit Certificate List, ELR Report, and Transaction Audit Report. Errors caused by the lack of complete data will be excluded from the terms of this guarantee.

**Penalty and Measurement Criteria:** A penalty of \$5,000 will apply for each day that the eligibility submissions are not processed. There will be a maximum penalty of **\$20,000**. Aetna's results will be used to determine whether the terms of the guarantee have been met.

## Pharmacy Performance Guarantees

### Claim Administration

#### Claim Processing Accuracy

**Guarantee:** Aetna will guarantee that the claim processing accuracy rate for all retail, mail order and directly submitted paper claims will be 99.0% or better.

**Definition:** The number of retail claims, mail order claims and directly submitted paper claims adjudicated by PBM that do not contain a material adjudication error as revealed through sample claim audit. Claim Processing Accuracy is measured as the number of claims processed in accordance with the plan set-up parameters divided by the total number of claims audited.

**Penalty and Measurement Criteria:** A penalty of \$5,000 will apply for each 0.5% that the actual claim processing accuracy rate for all retail, mail order and directly submitted paper claims falls below 99.0%. There will be a maximum penalty of **\$20,000**. Guarantee results will be measured based on an audit (audit will be paid for by State of Alaska).

## Pharmacy Performance Guarantees

### Retail Claim Administration

#### Pharmacy System Availability

**Guarantee:** Aetna guarantees that the retail pharmacy claim processing system will be functional and available at least 99.90% of the time during regularly scheduled system availability. Claim processing system shall be available for Claim submission, integrated and standard processing 24 hours a day, 365 days a year, less scheduled maintenance downtime which shall be performed during non-peak hours.

**Definition:** System availability will be measured as the amount of time the claim processing system was functional and available to adjudicate claims during regularly scheduled operating times.

**Penalty and Measurement Criteria:** A penalty of \$5,000 will apply for each 0.25% that the actual retail pharmacy claim processing system availability percentage falls below 99.90%. There will be a maximum penalty of **\$20,000**. Guarantee results will be measured based on Aetna's book of business.

#### Turnaround Time – Paper Claims

**Guarantee:** Aetna will guarantee that the claim payment processing turnaround time for all retail pharmacy claims submitted on paper will be 97.0% within a weighted average of 5 business days and 99.50% within a weighted average of 10 business days.

**Definition:** Total percentage of claims processed is measured as the number of claims processed within specified number of days divided by the total number of claims audited.

**Penalty and Measurement Criteria:** A penalty of \$5,000 will apply for each 0.25% that the actual turnaround time for reimbursement of paper claims submitted falls below the guaranteed level of 97.0% within a weighted average of 5 business days and 99.50% within a weighted average of 10 business days. There will be a maximum penalty of **\$20,000**. Guarantee results will be measured based on Aetna's book of business.

**Pharmacy Performance Guarantees****On-Site Pharmacy Audits**

**Guarantee:** On-site audits will be conducted for at least 2.0% of all contracted retail independent and chain pharmacies.

**Definition:** Total on-site audits will be measured as the number of audits conducted against the total number of contracted pharmacies. Pharmacies audited shall have a Claims volume greater than one thousand scripts (1,000) per year.

**Penalty and Measurement Criteria:** A penalty of \$5,000 will apply for each 0.25% that the actual on-site audit percentage for all contracted retail independent and chain pharmacies falls below 2.0%. There will be a maximum penalty of **\$20,000**. Guarantee results will be measured based on Aetna's book of business.

**Pharmacy Performance Guarantees****Mail Order Claim Administration****Turnaround Time - Clean Claims**

**Guarantee:** Aetna guarantees that at least 100.0% of all mail order claims not requiring intervention will be dispensed and shipped within an average of 2 business days of receipt.

**Definition:** For the respective guarantee period, turnaround time for claims, not requiring intervention is determined by assessing the average time, in business days, that it takes prescriptions to be processed and shipped from the Aetna Rx Home Delivery pharmacy.

**Penalty and Measurement Criteria:** A penalty of \$10,000 will apply for each full day that the average turnaround time of 100.0% of all mail order claims not requiring intervention exceeds an average of 2 business days. There will be a maximum penalty of **\$20,000**. Guarantee results will be measured based on Aetna's book of business.

**Turnaround Time – Claims Requiring Intervention**

**Guarantee:** Aetna guarantees that at least 100.0% of all mail order claims requiring intervention will be dispensed and shipped within an average of 5 business days of receipt.

**Definition:** For the respective guarantee period, turnaround time for claims, requiring intervention is determined by assessing the average time, in business days, that it takes prescriptions to be processed and shipped from the Aetna Rx Home Delivery pharmacy.

**Penalty and Measurement Criteria:** A penalty of \$10,000 will apply for each full day that the average turnaround time of 100.0% of all mail order claims requiring intervention exceeds an average of 5 business days. ### Network Management

#### Significant Network Changes

**Guarantee:** Aetna will notify State of Alaska in a timely manner regarding significant network changes in the Aetna pharmacy network.

**Definition:** “Significant change” means if a major pharmacy chain status as a Participating Pharmacy is terminated, or notice of termination of such is provided to PBM. Or any change in a Participating Pharmacy network that will result in a one percent (1%) or greater decrease in the number of Participating Pharmacies in a network. Excluded from guarantee are pharmacies that close, are terminated for audit purposes, or OIG/GSA sanction.

**Penalty and Measurement Criteria:** Aetna will notify the customer at least 30 business days prior to the effective date of the termination date of the provider. Aetna will reduce its compensation by **\$20,000** for failure to meet this guarantee. Aetna’s Account Executive will use the Network Communication tool to determine if the required notification was provided. Results are measured on a cumulative basis for the guarantee period. Aetna uses the Network Communications tool to keep plan sponsors informed of changes to Aetna networks. These communications include a plan sponsor letter that the assigned Account Manager can customize and send to State of Alaska alerting them to the network change.

#### Network Access

**Guarantee:** Aetna will guarantee State of Alaska that at least 83.0% of participants shall reside within 5 miles of a network pharmacy.

**Penalty and Measurement Criteria:** A penalty of \$5,000 will apply for each 0.25% that the actual network access falls below 83.0%. There will be a maximum penalty of **\$20,000**. Guarantee results will be measured based on Aetna’s Accessibility Analysis Report.

### **Seamless Transitions and Complete Support — Your Aetna Implementation Team’s Proactive Approach**

We understand that implementing new health benefits packages can present many challenges. That’s why we provide you with a whole team of experts to help guide you through a smooth transition.

You will have many questions along the way, including:

- How and when to communicate benefit changes to employees
- Timing of the open enrollment period
- How to facilitate the exchange of key information
- How to ensure a positive interaction between your employees and the plan administrator

We will help you address these questions by combining a team of experts supported by effective project management tools. This approach, developed over 30 years ago and refined annually through our Continuous Quality Initiatives, provides us the opportunity to develop the foundation for a long lasting relationship with you.

#### **Collaboration and Accountability**

Our implementation team approach is designed to establish a collaborative environment through the partnership we create with you and your business partners. The team is a blend of Aetna subject matter experts and State of Alaska’s representatives. While each member of the implementation team contributes his or

her unique talents to ensure a seamless transition, the Implementation Manager has overall accountability to you.

The Aetna team includes an Implementation Manager, your Aetna Account Management Team, representatives responsible for the set up and administration of the products and services you selected, as well as specialized subject matter experts.

We recommend that your own implementation team be comprised of members representing employee benefits, eligibility, finance, human resources and communications. Additional team members may be included to meet your specific needs.

The Implementation Manager will develop an Implementation Management Plan that outlines tasks and target completion dates specific to each team member. The Implementation Manager carefully monitors the progress using this plan along with complementary project management tools. Through regularly scheduled meetings and conference calls, the team provides updates and the status and resolution of issues raised during the transition.

#### **Continuous Commitment**

We remain committed in our service to you. Several members of the implementation team will remain actively involved with the ongoing service of your account.
